

BALLAST COMPATIBLE Series 3 **HOT BUY PRICING**
from the leader in

EASIEST to Install!

Up to 27% OFF
Distributor Price

- Works with 480V systems with ballast in place
- No special wiring—simply screw into existing socket
- Replaces up to 400W HID
- Edison and mogul base models
- 4000K, and 5000/5700K CCT
- 5 year warranty
- 50,000 hour life

60W
LED-8035E-MHBC
Replaces 175W/250W
6684 - 7062 Lumens

100W
LED-8036M-MHBC
Replaces 250W/320W
10656 - 10798 Lumens

140W
LED-8030M-MHBC
Replaces 320W/400W
15763 - 15911 Lumens

140W
LED-8032M-MHBC
Replaces 320W/400W
16407 - 16605 Lumens

50W
LED-8088E-MHBC
Replaces 175W/250W
5188 - 6282 Lumens

50W
LED-8088M-MHBC
Replaces 175W/250W
5188 - 6282 Lumens

80W
LED-8089M-MHBC
Replaces 250W/320W
7941 - 7635 Lumens

120W
LED-8090M-MHBC
Replaces 320W/400W
9929 - 10810 Lumens

Model	Dist. Price	HOT BUY
LED-8035E	\$89	\$65
LED-8036M	\$130	\$99
LED-8030M	\$150	\$119
LED-8032M	\$150	\$119

Model	Dist. Price	HOT BUY
LED-8088E	\$64.90	\$49
LED-8088M	\$64.90	\$49
LED-8089M	\$119.90	\$99
LED-8090M	\$139.90	\$119

These low bay, high bay, and shoe box/wall pack LED retrofits deliver superior lumen output with a **directional LED array** that outperforms generic “corn” lamps. All models are compatible with both **probe or pulse-start** magnetic metal halide ballasts. **Optimized active cooling** technology insures top performance and long LED life even in the harshest environments.

Saves over 50% in energy costs over HID systems.
